

“All Booked”

Ivana Sopúchová, Evanjelická spojená škola, Martin

Zámer projektu:

- pritiahnúť k literatúre žiakov, ktorí čítajú málo, resp. nečítajú vôbec
- pozitívne zmeniť vzťah študentov k literatúre a knihám ako takým

Prečo a pre koho tento projekt?

Ako?

- ▶ Jeden klíčový princip -
možnost volby
- ▶ Súbtor aktivít

1. Workshopy na tému reading & literacy

Reading strategy

1. READ out loud
2. TRANSLATE only the most important words
3. START with an easy book
4. READ as much as possible in your free time
5. READ one book at the time

You don't have to understand every word. It's enough to understand the main idea.

Read a book that you already read in your (or you know the story).

Always have a dictionary with you (if you need)

Choose a book that is on your English level.
